# JAMAICA FAREWELL w.m. Herbie Lovell, Roy McIntyre, Lillian Keyser

(1) Down the way where the nights are gay and the sun shines daily on the mountain top,

I took a trip on a sailing ship and when I reach Jamaica I make a stop, but I'm

Sad to say I'm on my way, won't be back for many a day

My heart is down my head is turning around

I had to leave a little girl in Kingston town

Sounds of laughter everywhere and the dancin' girls swing to and fro

I must declare my heart is there, though I been from Maine to Mexico, but I'm

Sad to say I'm on my way, won't be back for many a day

My heart is down my head is turning around

I had to leave a little girl in Kingston town.
