Artist: Florence And The Machine
Song: Heavy In Your Arms
Florence + the Machine - Heavy in your Arms
(from the Twilight Saga: Eclipse soundtrack)
hello! this is my first tab, so please be nice :) i really like this song, though i think it should be a semi tone higher (just me?)
I was a heavy heart to carry
My beloved was weighed down
My arms around his neck
My fingers laced a crown
I was a heavy heart to carry
My feet dragged across the ground
And he took me to the river
Where he slowly let me drown
My love has concrete feet, my love's an iron ball
Wrapped around your ankles, over the waterfall
Am G F
I'm so heavy. Heavy heavy in your arms
Am G F
I'm so heavy. Heavy heavy in your arms
And is it worth the wait,
All this killing time?
Are you strong enough to stand,
Protecting both your heart and mine?
Who is the betrayer
Who's the killer in the crowd?
The one who creeps in corridors
And doesn't make a sound
My love has concrete feet, my love is an iron ball
Wrapped around your ankles, over the waterfall
My love has concrete feet, my love is an iron ball
Wrapped around your ankles, over the waterfall
\mbox{\bf Am} \mbox{\bf G} \mbox{\bf F} I'm so heavy. Heavy in your arms
(play around with G and F chords here)
This will be my last confession
"I love you" never felt like any blessing
Whisper it like it's a secret
Uttered to condemn the one who hears it
With a heavy heart
F - G - Am
                           G
Heavy. Heavy. I'm so heavy in your arms
(I'm so heavy) Heavy, heavy. I'm so heavy in your arms {\bf Am} {\bf G} {\bf F}
{\bf G} (I'm so heavy) Heavy, heavy. I'm so heavy in your arms
G (I'm so heavy) Heavy, heavy. I'm so heavy in your arms
I was a heavy heart to carry
```

```
My beloved was weighed down
F
My arms around his neck
G
My fingers laced a crown
Am
I was a heavy heart to carry
G
But he never let me down
F
When he held me in his arms
My feet never touched the ground
Am
I'm so heavy
G - F
Heavy in your arms
Am G - F
Heavy. I'm so heavy in your arms
END
