Verse 2:
 So many times when the city seems to be
 Without a friendly face, a lonely place
 It's nice to know that you'll be there if I need you
 And you'll always smile, it's all worthwhile.

Verse 3:
 If all my friends have forgotten all their promises
 They're not unkind, just hard to find
 One look at you and I know that I could learn to live
 Without the rest, I've found the best.
